

## **Hotel Reimbursements**

The safety of our drivers is very important. If you are assigned a trip that will require more than 10 hours of driving one way or greater than \$2,000 in revenue, Daniel or Maggie will be happy to book you a hotel, or reimburse you for one up to \$100 if it's too late at night to reach someone. Just send them a text if you need a hotel booked or a reimbursement.
