

Recruiting Bonus

If you refer a driver to our company that does rides for at least 30 days, you will receive a recruiting bonus. Drivers must pass the background check.

The amount is \$100 for full time and \$50 for part time.

Please text Daniel the name of the drivers you recruited, so he can add it to your pay.

Full time for drivers is generally more than 20 trips averaged over the last two pay periods. Part time is generally less than 20 trips averaged over the last two pay periods. We sometimes make exceptions when trip revenue is much higher than normal.
